ABOUT US

JZ Myanmar Company Limited was established with a visionary goal: to transform the recruitment landscape in Myanmar. As the creators and operators of ujob.com.mm, the nation's premier online job portal, we are committed to seamlessly connecting job seekers with ideal career opportunities, while providing employers with an efficient, cost-effective, and automated recruitment platform. Our extensive service offerings span across a wide range of job categories from executive and professional roles to clerical positions ensuring that there is an opportunity suited for everyone.

OUR SERVICES

For Job Seekers:

Comprehensive Opportunity Database:

Explore various career opportunities updated daily, with a user-friendly interface that ensures an efficient and effective job search experience.

Seamless Application Process:

Apply for jobs online with ease. Simply upload your CV, photograph, and relevant certificates directly to the portal, and your application will be instantly routed to potential employers.

Daily Updates:

Our portal is refreshed with new job listings every day, accessible 24/7, ensuring that you are always in touch with the latest opportunities.

For Employers

Automated Recruitment Solutions:

ujob.com.mm offers a sophisticated electronic back-office system designed to automate every aspect of the recruitment process, enhancing operational efficiency and delivering significant cost savings.

Instant Notifications:

Employers receive real-time alerts for new applications, enabling a swift and responsive recruitment process.

Comprehensive Applicant Management:

Our secure back-office control center offers:

Vacancy-Based Applicant Management:

View and manage applicants by specific job vacancies.

Profile Standardization:

Compare candidates using standardized profiles.

Customizable Grading System:

Assess applicants with a grading system tailored to your needs.

Short-Listing and Interview Scheduling:

Streamline the short-listing process and easily schedule interviews.

Interview Results and Feedback:

Record outcomes and send feedback emails, all within the platform. These features significantly streamline the recruitment process, eliminating paperwork and enhancing overall productivity.

Our Commitment

At JZ Myanmar Company Limited, we are dedicated to making job discovery effortless. Our mission is to bridge the gap between skilled job seekers and the employers who need them, fostering a dynamic and thriving job market in Myanmar. Through ujob.com.mm, we provide unmatched convenience, efficiency, and success in the recruitment process for both job seekers and employers alike.
